Forums of Interest

Shropshire Community Transport Consortium

The Shropshire Community Transport Consortium was formed in November 2004 as a medium for Community Transport Operators to share information, discuss pertinent issues affecting them and their service users and to allow them to collectively promote Community Transport in Shropshire.

In 2008 the Consortium agreed to become a Forum on Interest of the Voluntary and Community Sector Assembly (VCSA). The Consortium meets approximately every 2 months and is attended by a wide range of Community Transport Operators, Voluntary Organisations and other interested parties from across Shropshire.

The Consortium discusses and takes action on many different issues such as community transport funding, regulation issues, joint working initiatives and the promotion of Community Transport services. The Consortium has enjoyed many successes over the years – it was instrumental in setting up the A to B website and successfully negotiated significant changes to the Community Transport funding formula with Shropshire Council.

The Consortium aims to be inclusive and welcomes anyone with an interest or involvement in Community Transport of any sort. Anyone interested in joining or attending a meeting should contact the Chairperson, Marie Monk-Hawksworth on 01952 881145 or email friendlybus@hotmail.com.

Voluntary Sector Health & Social Care Forum

The Voluntary Sector Health & Social Care Forum has been established since 1993. Since that time the remit and focus of the Forum has adapted and changed to reflect the changes in structure in the health services and the Local Authority's social services. The Forum currently aims to:

- Offer voluntary sector groups whose work involves health and social care the opportunity to come together to discuss the planning, provision and management of health and social care services in Shropshire.
- Develop close links between the voluntary sector and statutory partners involved in Health and Social Care to ensure that the voluntary sector groups are well informed about local, regional and national policy and how these will affect people in Shropshire.
- Support and develop mechanisms to ensure information exchange between the voluntary and statutory sectors and to enable voluntary sector groups to have an effective voice at appropriate decision-making opportunities.

Membership of the Forum is open to representatives from voluntary sector organisations, whose work involves health and social care and there is no formal membership procedure or subscription. Relevant organisations may send a representative to meetings but if organisations are not able to attend they may also ask to be put on the mailing list to receive agendas, minutes and training opportunities, as well as information about consultations and other initiatives underway in the health or social care sector.

The Forum meets at least six times a year for two hour meetings and networking. There is a standing invitation for senior representatives of Shropshire Council and Shropshire Clinical Commissioning Group to attend and other guest speakers are invited.

A member of the Forum is elected to serve as a member of the Voluntary Sector Assembly Board. Members of the Forum are also invited to represent the sector and the forum on outside bodies, each request being considered on its own merits. Representation includes attending Forum meetings on a regular basis to report back to the Forum, to raise issues and to seek the views of Forum members. Other work undertaken by the Forum has been a long-standing interest in the development of a Compact for Shropshire (the Forum developed the original Compact some 8 years ago).

Secretariat is provided by the Community Council of Shropshire. Anyone interested in finding out more, or joining the Forum should contact the Community Council on 01743 360641 or email: enquiries@shropshire-rcc.org.uk.

Shropshire Pan Disability Forum

The Pan Disability Forum covers a diverse and wide spectrum of disabilities and represents organisations which support people with all types of disabilities including learning, physical, mental and sensory across Shropshire. Its purpose is to improve the standards, eliminate discrimination, and facilitate inclusion, participation and independence for people with all types of disabilities.

Forum membership is made up of representatives of disability led organisations and the chairs of the Shropshire Disability Network, Visual Impairment Forum and the Hearing Impairment Forum. The Forum is somewhat unique amongst those associated with the Assembly, in that it combines a number of Forums under one global heading and some of those Forums are self help and support groups. This leads to a diverse but very useful dialogue in Forum meetings and brings the Forum much closer to the issues which affect those with disability.

Shropshire Pan Disability Forum promotes the working relationship between the voluntary and community sector and any statutory partners they may engage with across Shropshire. It seeks to provide a channel of communication to inform and help to improve decision making by organisations involved in providing services specific to the interests of all those with disabilities. In addition to this it also provides an excellent forum for networking and sharing information amongst the members of the forum, leading to the potential for more co-operative working and improved outcomes for those with disabilities. Some of its members are already working closely with CCGs and NHS Trusts, and the learning gained from those well developed relationships is going to prove invaluable in the next couple of years as the new CCG's and Personalisation come to the fore.

The Forum is represented through its members on the Learning Disability Partnership Board, Physical and Sensory Disability Partnership Board, Parent and Carers Council for Shropshire and Shropshire Partners in Care.

The Shropshire Disability Forum is open to representatives of all local voluntary and community sector organisations that wish to participate and see the Disability Forum as relevant to the work of their organisations. The Disability Forum aims to meet quarterly.

If you are interested in finding out more about the Shropshire Disability Forum please contact: Chair of PDF, Jean Robinson 01743 365271 or by email: jean@headwayshropshire.org.uk or Pauline James, Forum Secretary on pauline@pdfshropshire.co.uk.

Shropshire Older Peoples Assembly (SOPA)

The Shropshire Older Peoples Assembly was established in October 2011 to confront and change the perception of Older People in the county of Shropshire that their interests are being marginalised. Through the joining together of like-minded organisations and individuals SOPA provides a Forum of Interest for older people to play a key role in the VCS Assembly and provides representation on partnership bodies. Social and health care, supported housing, preventative care programmes and rural transport are among the key issues identified.

SOPA holds 4 public meetings each year with a 'Question Time' format. There is a standing invitation for senior representatives from Shropshire Council to attend and other guest speakers are invited. There is a steering group committee and the Chair, Vice chair and designated members identify key issues. This group aims to keep issues at the forefront of attention by Shropshire Council, the VCS Assembly and other relevant organisations.

The membership list has been increasing since SOPA began in October 2011. Members include Age UK Shropshire, Telford & Wrekin, Shropshire Association of Senior Citizens Forums, Shropshire RCC, Severnside Housing, Consortium of Shropshire Tenants, Through the Doorway to Healthy Living, Mayfair Community Centre and Shropshire Link.

SOPA has highlighted key issues concerning the welfare of older people and brought them to the attention of those responsible for planning and delivering services, whether Shropshire Council or other bodies. With increasing awareness of SOPA and increasing membership SOPA will continue to tackle the marginalisation of older people and vigorously campaign on their behalf.

SOPA welcomes new members and anyone who has an interest in the welfare of older people or whose work involves the concerns of older people is eligible. Organisations or individuals are invited to send a representative to public meetings and to join a mailing list to receive information about consultations, meetings and events held by SOPA and other organisations which may be of interest.

Criminal Justice Forum

The Criminal Justice Forum was established in July 2012. With vast changes occurring in the world of criminal justice and related public services, it is important for voluntary organisations with interests in criminal justice to have a platform for discussion, consultation and information exchange. It is also vital for such organisations to have a collective voice of influence with strategic statutory decision makers.

The Criminal Justice Forum values the experience of all colleagues working within the criminal justice field and welcomes input, and mutual support provided at the Forum meetings, training events and beyond.

The aim of the Criminal Justice Forum (CJ FoI) is to provide support to each other, help decipher government policy, exchange information and ideas, enable strategic influence through the Voluntary Sector Assembly and other relevant decision making boards, and to provide a platform for potential future funding opportunities. The CJ FoI welcomes organisations from the Shropshire and Telford and Wrekin Council areas.

The purpose of the Criminal Justice Forum is to work with criminal justice voluntary organisations:

- To develop and provide an effective mechanism for information exchange and mutual support with regard to criminal justice matters;
- To develop and promote a broader understanding about the organisation, structures and complexity of the CJS, with the particular aim of assisting the voluntary sector's interaction with the CJS;
- To facilitate collective communication with statutory agencies about the shared concerns of voluntary sector CJ organisations;
- To seek to represent voluntary sector organisations' interests and views collectively on appropriate forums, locally and sub-regionally, to statutory agencies;
- To identify and discuss funding opportunities that may arise through the Police and Crime Commissioners, Probation and other statutory and non-statutory bodies.

The Forum communicates with members through quarterly meetings, emails, conference calls and social media and links with the VCSA Board via attendance at Board meetings, written quarterly Board reports, emails, telephone and face to face meetings.

County Sports Partnership

Helping Sport to Help Itself- The County Sports Partnerships (CSPs) was set up in 2006 with an overall aim to enable everybody within Shropshire to benefit from everyday involvement in sport and physical activity. The CSP supports and facilitates a range of networks in order to build capacity and improve opportunities for people to be active. Its current networks include sports development forums, coaching networks and club networks and more recently community groups – these provide a mechanism for local stakeholders to network, share good practice, join up work strands and identify local needs to influence joint planning.

The CSP provides advocacy for the sector, demonstrating the benefits of sport and physical activity and the value of investing in it. It is also an independent charitable organisation which brokers partnerships and facilitates the delivery of national and local projects and programmes to achieve agreed outcomes whilst at the same time ensuring efficient and effective use of resources within Shropshire.

The CSP has a website with a linked electronic fortnightly newsletter that partners and associates can contribute to. The CSP holds an Annual Conference in March and an Annual Review event in July. In between these events we hold a number of meetings and events as necessary and undertake an annual satisfaction survey with associates. The CSP also holds an annual Awards Evening (in Autumn each year) with categories ranging from Project and local Business of the Year and Volunteer, Coach and Young Leader of the Year. This event both rewards individuals and organisations who work to make sport happen and with support from local and regional media raises the profile of the value of sport and physical activity in a voluntary and community setting.

Shropshire Voluntary and Community Sector Assembly

Terms of Reference

Introduction

Shropshire Voluntary and Community Sector Assembly (the Assembly) is founded on the need for a collective, well defined route to engagement between voluntary, community and enterprise sector organisations (VCSE) and public and statutory bodies throughout the county of Shropshire. It is based on the belief that collective representation is more influential than a series of individual voices, and that cooperation generates shared strength through a pooling of energy, ideas and resources. The Assembly provides a means for voluntary and community organisations throughout Shropshire to meet and exchange information, ideas and good practice, always acknowledging that a diversity of views may exist.

The Assembly began its formation in April 2007 and now comprises over 325 contacts, groups and organisations. The Assembly is formed of a wide range of different sized groups and organisations covering many different geographical areas across Shropshire. The Assembly is led by a Board of representatives of the Assembly's Forums of Interest and representatives appointed to carry out lead roles (such as volunteering and area representation) (see Appendix 2).

The functions of the Assembly are defined as:

- Communication and Information
- Representation and Engagement
- Advocacy
- Networking and Support
- Capacity building (to work with public sector agencies)
- Educating and building awareness of VCS in public sector agencies

Whilst the organisations who form the membership of the Assembly deliver many and varied services to communities throughout Shropshire, the key role of the Assembly is to provide representation and a voice for the sector. Its focus is on engagement and partnership and the Board will aim to ensure the Assembly's work does not duplicate the roles of other VCS partnerships or organisations such as those bodies with an interest in VCS infrastructure support or those delivering direct services.

The VCS will maintain and develop links with strategic partners. Where representation is required this will be provided by the VCS Assembly Chair, Vice Chair or Area representative.

Values

- **Equality and Inclusion** – the Assembly will undertake creative positive action to mitigate against adverse impact on the most vulnerable in our communities and encourage the involvement of groups within the VCS who tend to be marginalised or excluded.
- **Accountability** – the Assembly and any representatives it selects will be accountable to the VCS and will have clear mechanisms in place to demonstrate this.
- **Partnership** – the Assembly will work towards meeting its aims through co-operative and inclusive partnerships. It will aim to minimise duplication, to promote unity and to encourage and facilitate co-operation between voluntary and community organisations.

- **Respect** – the Assembly will operate on the basis of mutual respect and demand that respect in return for its membership. Members are expected to be open and honest.

Vision

“Our vision is that everything we do will have a positive impact for local people and our communities”

1. Aim

The aim of the Assembly is to make a difference to people and communities of Shropshire through strengthening and supporting the VCSE, enabling strategic influence and an effective voice for the sector, as well as an arena for action, information sharing and discussion.

We do this by harnessing the vast experience of sector leaders and the trust gained by past and existing partnership work.

2. Purpose

The purpose of the Assembly is to develop and provide an effective mechanism for representation of the VCS to the public and statutory sectors.

3. Objectives

- Ensuring that the collective views of the VCS influence strategic planning and policy decisions.
- Promoting dialogue between the VCS and the public and statutory sectors to enable effective consultation, and to encourage partnership working.
- Building the capacity of the VCS to engage effectively with the public and statutory sectors.
- Creating a better understanding of the VCS within the public and statutory sectors.
- Promoting networking, sharing of skills, information, experience, good practice and resources with VCS organisations.
- Ensuring active and effective representation on key strategic partnership bodies by nominating appropriate representatives.
- Ongoing development of the working relationships between VCS and public, business and statutory sectors through development and monitoring of effective frameworks.

4. Membership & Structure of the Assembly

- 4.1 The Assembly membership is open to all voluntary and community organisations operating in Shropshire who agree to sign up to the aims of the Assembly.
- 4.2 The Assembly Board will approve eligibility for membership of the Assembly based on the information provided in Appendix 1.
- 4.3. To apply for membership, organisations can request a membership form from the Assembly Co-ordinator and on completion of this form the Board will endorse membership.
- 4.4 The Assembly will meet in full at least once a year. This meeting will be open to staff, volunteers and trustees/management committee members of voluntary and community organisations in Shropshire. Each organisation will have a single vote.

5. Membership & Structure of the Board of Representatives

- 5.1 The Assembly is supported by a Board of Representatives (the Board), made up of nominated representatives from eligible voluntary and community sector forums and Shropshire area representatives (see definitions in Appendix 2).

- 5.2 The Assembly determines eligibility criteria for additional networks and forums (see Appendix 2). Any forum meeting these criteria will then be considered by the Board, and invited to nominate a representative to the Board. Representatives must be an employee, volunteer or trustee of a VCS organisation. The Assembly is not responsible for this nomination process.
- 5.3 An organisation can be a member of several forums. A maximum of two members from the same organisation can be represented on the Board at any one meeting, when this occurs a declaration of interest must be made at the start of the meeting.
- 5.4 In order to ensure that the Board is broadly representative of the full range of communities, interests and skills within the sector, the Board has delegated power to co-opt additional members. Co-options should constitute no more than 20% of total board membership. All co-optees should be from member organisations.
- 5.5 Termination of membership of the Board: A Board Member's period of tenure will automatically end in the event that she or he fails to attend three consecutive meetings of the Board, unless the Board determines otherwise. The forum will then be contacted and asked to nominate an alternative representative.
- 5.6 Deputies: To ensure representation from each Forum at Board meetings, the forum must nominate a fully briefed deputy (second representative) to attend the meeting in question. Second representatives (to attend in the absence of the first representative) may be from an organisation already represented on the Board.
- 5.7 Declaring an Interest – Board members must declare a specific interest in any agenda item. A register of interests will be kept and completed at each meeting. The Board reserves the right to exclude holders of other public offices from becoming a Board Member if there is deemed to be an overriding conflict of interest.
- 5.8 All Assembly Board members will be required to undertake appropriate training.
- 5.9 Forums of Interest comprise VCS groups and organisations. However the Assembly Board recognises the important role user led organisations, service user groups and representative bodies play in Shropshire and the importance of having a close working relationship with these bodies. Partnership opportunities will be explored on a case by case basis, including an assessment of opportunities for existing Forums of Interest to join up with relevant user led groups. Information on new partnership arrangements will be communicated with the wider membership.

6. Duties and Responsibilities for Board Members

- 6.1 Board Members and their nominated deputies will comply with the Role Description and Code of Conduct for representatives (included within the Board Members and Elected Representatives Pack). This will include induction and training. Board Members will be required to sign the Code of Conduct.
- 6.2 The selection of the nominated representatives from the Forums and area representatives should follow a process which requires each forum to use the Assembly Terms of Reference, Role Description and Code of Conduct to assess the suitability of their nominated representative to the Board (see the Board Members and Elected Representatives Pack).
- 6.3 Board Members will be responsible for the actions listed in Appendix 3 which include:
- Implementing the Terms of Reference.
 - Conducting an Annual Review of the work of the Assembly.
 - Agreeing and overseeing implementation of the Action Plan for the following year.
 - Developing the Assembly to respond appropriately to changes affecting the VCS and to enable positive interaction with relevant agencies.

- Communicating effectively with the membership and representative forums ensuring a two way flow of information between Board and network forums.
- Considering requests and identifying appropriate representation from the VCS.

7. Meetings & Processes for the Board of Representatives

- 7.1 The Board of Representatives will meet at least 4 times a year to move forward the objectives of the Assembly.
- 7.2 There will be an urgent decision making group that can meet at short notice, accessible to all board members, where there are matters to discuss that cannot wait until the next regular board meeting – see *appendix 4 for Terms of Reference*.
- 7.3 Each Board Member, except those who are co-opted members, will have one vote. Where necessary, questions arising will be decided by a simple majority of those present and entitled to vote. In the case of an equality of votes, the Chair will have a casting vote.
- 7.4 At least one half plus one of the total number of Board Members, or their deputies, must be present at a meeting to form a quorum.
- 7.5 The first part of Board Meetings will be open to observers from the voluntary and community sector and partner organisations. They will be welcome to attend and will be able to speak at the invitation of the Chair.

The nominated representative must be from a voluntary and community sector group or organisation that is a member of the VCSA. All nominated representatives will be required to comply with the Duties and Responsibilities set out in the Board Members and Representatives Pack.

Associate Forums of Interest

Should new forums of interest emerge that share similar interests/service objectives with an existing forum, Associate Forums will be encouraged (subject to approval by the Board). Associate Forums will be represented on the Board via an existing Forum of Interest and the two Forums will be encouraged to develop regular and effective communication channels.

Eligibility criteria for association with the Assembly

To become a Forum of Interest all Forums must provide evidence that they meet the following criteria:

Each Forum will receive a Forum of Interest Membership Pack and be asked to provide the following documentation to the Assembly Board:

- Terms of Reference or governing document (evidence of meeting the criteria as set out above).
- Minutes and record of attendance of at least two meetings (if the Forum is already formed).
- A short description of the Forum's purpose.

- A signed statement of commitment to the aim, purpose and objectives of the Assembly. (Included within the Forum of Interest Membership Pack).

When receipt of this information has been satisfactorily provided the application will be presented to the next VCSA Board meeting for formal approval as a Forum of Interest.

Area/Locality Representatives

Following local authority organisational changes this role has been reviewed, and will now ensure links with local community hubs in the light of the emergence of locality commissioning, and the Director of Commissioning. This will ensure that VCS representation at a local level will be fed through to the VCS Assembly board. The representative will be elected through an open election process advertised to all members and will stand for 3 years before offering the wider membership the option to nominate a new representative. The nominated representative will be subject to approval by the Assembly Board. If no nominations are received the existing representative will be asked to retain their seat at the Board or the Board will source a suitable candidate to take up the role.

Review Process

In order to ensure the Board election process is open to other potential candidates, the Board will request, of each Forum of Interest that their representative is reviewed after a three year period in accordance with the Forum Terms of Reference. Each Forum of Interest will be required to report the outcome of this process to the Board.
