<http://www.shropshire-rcc.org.uk/services/individuals/oil-buying-scheme>

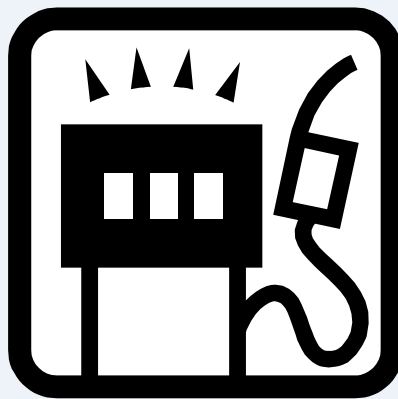

Opening Hours: Tuesday, Thursday, Friday AM

The Shropshire RCC Fuel Buying Scheme exists to allow residents of Shropshire who are in Off Gas areas access to cheaper heating oil and LPG.

The scheme is open to anyone to join.

Oil Buying

By buying in bulk we ensure low prices for our members on a monthly basis. Choosing only reliable suppliers our focus is on customer service and value for money. Our local volunteer coordinators remind members to check oil levels and pass on their oil orders to us. We negotiate with suppliers to get the best rate saving our members hundreds of pounds a year.

LPG

We are able to offer our members an exclusive deal on bulk LPG and Cylinders if they are in a position to switch suppliers.
